

PROFLEK COATINGS PTY LTD QUALITY ASSURANCE POLICY

Proflek Coatings Pty Ltd is an epoxy coatings applicator for walls / floors and other building surfaces.

Proflek Coatings is committed to provide high quality and consistent workmanship on every aspect of its work; quoting, sourcing of high quality products, physical application of coatings and after sales warranty and support. Where possible, Proflek Coatings constantly strives to exceed industry standards and client requirements

Proflek Coatings Quality Assurance and improvement system is ongoing and exceeds the industry standards.

These quality objectives are met by the application of Proflek Coatings Internal Quality Assurance Management System as audited by ISO9001, CSIRO – PCCP and QBCC licensing in both Waterproofing and Epoxy Coatings.

Proflek Coatings commitment to excellence and reliability is the foundation of its reputation and success in the Epoxy Coatings industry

Proflek Coatings Pty Ltd
